Valued Vendor,

DLA Troop Support Industrial Hardware has received and reviewed your company's initial application for the Qualified Suppliers List for Distributors (QSLD) for the Bulk Metals commodity. Thank you for your interest in our program, and thank you for your company's cooperation during the recent DCMA site-survey, performed at your facility on 27th July 2017.

Per the site-survey results, your company's quality program is found to be satisfactory. We now qualify your company under CAGE Code: 78MA0, for a three-year term effective the date of this letter. Keep in mind that audits may be conducted at any time, and qualification is always contingent upon your continual compliance with the *Criteria and Provisions* of the QSLD/QSLM Program. A renewal application must be submitted 120 days before the end of your three-year term (08/03/2020) in order for your application to be processed timely.
