CAPABILITIES

Viv Helwig
Owner/President

Vested Metals International, LLC
7000 US Highway 1 North,
Suite 504
St. Augustine, FL 32095

Vested Metals is a specialty metals and steel raw material supplier with decades of experience specializing in hard to find alloys, grades, and sizes. We also stock various grades that we can offer competitively such as stainless steels, titanium, alloy steels, tool steels, aluminum, and high temperature alloys.

**8(a)/MOSB/SDB/MBE/
ISO-9001/AS9100**

END PRODUCT UTILIZATION

- Corrosion resistant industrial applications
- Infrastructure and building projects
- Defense, Military, & Aerospace parts
- Orthopedic medical devices
- Gas lines & power generation components
- Automotive engine components & parts

WHO WE ARE

- ISO 9001:2015 certified
- AS9100D certified
- QSLD, MBE and DBE certified
- 8(a) certified
- Serving the aerospace, defense, space, medical, energy, marine, and industrial markets
- DUNS#: 079597943
- UEI#: K3J2QJ3GKEB5
- CAGE#: 78MA0
- NAICS CODES (commonly supported): 423510, 331110, 331221, 331315, 332312, 332313, 332322, 332323, 332710
- FSC CODES: 4710, 9510, 9515, 9535

WHAT WE DO

- Supply hard-to-find grades, forms, and sizes of specialty metal alloys
- Water Jet and production bar cutting, heat treating, grinding, and metallurgical consulting
- Wide varieties of titanium, nickel-based, and low alloy steels immediately available for shipment
- Stainless steel bar and flat bar from stock
- Carbon steel plate supplier
- JIT and stock release programs
- DFARS compliant
